Health and safety policy statement of intent

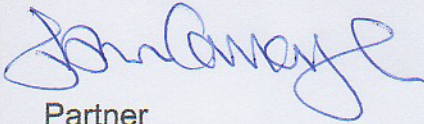

This policy states our commitment to take all reasonable measures, to ensure the health, safety and wellbeing of our employees, sub contractors, clients and all other persons who may be affected by our business activities.

To comply with our legal obligations we will,

- Take all reasonable steps to minimize accidents and incidents of ill health to our employees, sub contractors, clients and all other persons who may be affected by our business activities.
- Provide, so far as is reasonably practicable, adequate control of the health and safety risks arising from our business activities
- Commit to full compliance with our legal obligations and all current health and safety legislation
- Comply with our customers health and safety requirements
- Provide appropriate information, instruction and training to our employees and sub contractors
- Encourage and actively promote health and safety awareness in all areas of our business
- Ensure suitable and sufficient resources are given to health, safety and welfare
- Communicate with our employees and sub contractors on health and safety issues
- Create and maintain a positive health and safety culture in all areas of our business
- Constantly monitor and review our health and safety performance, with the aim to improve
- Regularly review this policy to ensure that it is appropriate to the nature and scale of our business

A copy of this Health and safety policy will be made available upon request to any interested party

Overall responsibility for this policy rests with John Callaghan
